

Guide to getting your agency up and running with Birdie

We know that getting started with a new digital system can be daunting. That's why, at Birdie, we make getting set up simple. With remote training and 24/7 support, you'll be up and running in no time. Read on to discover what you can expect at every step of your Birdie journey...

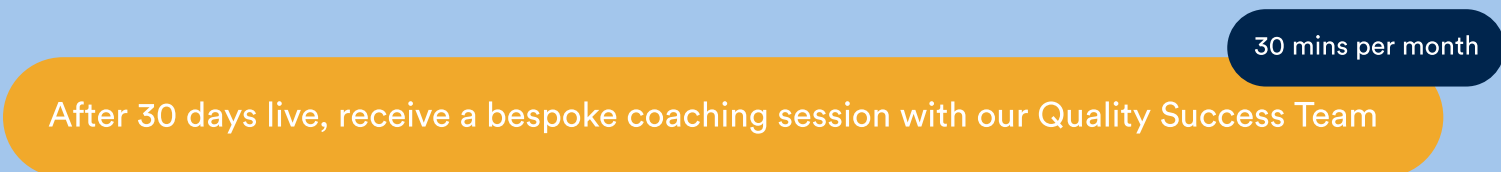

Weeks 1 - 4: Onboarding

Week 5: Go-live

Week 6 onwards: Evaluation

*These timings are to be used as a guide only and are dependant on the size of the business, whether a rostering system is integrated with Birdie and on the level of engagement of the team
